Dear Member

When I was writing this report last year little did, I know that I would be writing another one in twelve months' time and in very different circumstances. The impact of the global pandemic on all our lives has been significant and for the club our inability to hold an AGM led to the management board decision to maintain the existing officers for a second year. Being Captain for a second year has been a challenge but a privilege and my thanks go to all members, directors and staff for their support throughout the year.

The increase in members we saw last year has continued into this year especially since the end of the first lockdown. Our course continues to attract visitors and members alike and my thanks again to Mike Etchells and his team for their continued hard work and dedication especially given the added pressure of ensuring safe practices on the golf course for both staff and members.

Thanks, must go to our club and trading subsidiary directors who have had to make difficult decisions to ensure the safety of staff and members during the pandemic whilst ensuring the viability of the business going forward. They have put in endless hours of work on our behalf despite the difficulties presented - thank goodness for Zoom!

Our house staff have faced a difficult year to say the least and they are to be praised for the positive way they have responded to the challenges. Particular praise, however, must go to our Club Manager-Secretary, Helen who has worked tirelessly throughout the pandemic.

I want to thank the H&C teams for all their hard work to provide competitive golf between lockdowns and congratulations to all the winners - there have been some excellent scores and hopefully Lady Captain, Deborah and I will be able to present them with their trophies before too long.

Finally, my thanks to the members who have maintained their loyalty to the club despite missing significant periods of playing time through the lockdowns and a warm welcome to those members who have joined us through the year. The Management Board's decision to hold subscriptions for 2021 at the 2020 rate is a recognition of the time lost to the pandemic without compromising the financial health of the club going forward.

Condolences to the family and friends of Leslie Lancaster, Roger Chapman, Jack McKibbin, Phil Wedgwood, Judith Simpson, John Jones and Harry Garnett who passed away this year. They are all sadly missed.

It only remains for me to wish you a safe and healthy Christmas and (hopefully) a New Year which sees the end of this dreadful pandemic and a return to more normal times.

Ian Booth
