Wilson Folly

Bar and Restaurant

Wilson Gales Monument, situated on the 17th hole of Uiverston Golf Club was erected in 1792 by Anglican, Wilson Gale Braddyll in memory of several members of his family.

The monument is enhanced by points of emphasis and three funerary urns situated in a recess of each face. The triangular sides of the monument face the original homes of the three branches of the family; the Wilsons OF Bardsea Hall, the Braddylls of Conishead and the Gales of Whitehaven.
