

## Casual Scores for Handicap

- **Play from the yellow tees (men) / red tees (ladies)**
- **Play over 18 holes or over the front 9 holes**
- **Play either strokeplay or stableford format**

If you have a smartphone please use the 'MyEG' app to sign in and to enter your score for a casual round

### USING THE MyEG APP

#### STEP 1 - Sign-In

Indicate your intention to return a casual round score **BEFORE** teeing off.

Do this on the MyEG app via the Enter Score option indicating the tees and format you intend to play and the identity of your marker.

Your marker must have a WHS handicap index and must also have the app.

**You must be at the course when you 'sign-in' on the app.**

#### STEP 2 – Play Your Round

Ask your marker to mark your card as you play your round.

#### STEP 3 - Return Your Score

Enter your score via the Enter Score option in the app.

Your marker will then automatically receive a message in the app on his/her phone. Ask them to check their messages in the app and approve your score.

**You must both be at the course when you do this.**

Your score will be added to your WHS record as soon as it is approved by your marker.

# Casual Scores for Handicap

## IF YOU ARE UNABLE TO USE THE MyEG APP

### STEP 1 - Sign-In

Indicate your intention to return a supplementary score **BEFORE** teeing off.

Do this by sending an email to [handc@ulverstongolf.co.uk](mailto:handc@ulverstongolf.co.uk) indicating your intention to return a casual score.

### STEP 2 – Play Your Round

Fill out your scorecard with the date, your name and write to 'Casual Round' on the card. Hand your card to your marker.

At the end of the round both you and your marker must sign your card.

Note that your marker must be someone who has a WHS handicap.

### STEP 3 - Return Your Score

- Email an image of your completed card to [handc@ulverstongolf.co.uk](mailto:handc@ulverstongolf.co.uk)

Your score will be processed by the H&C team within two or three days.
